SUBJECT: Work At Taylor's Dump on March 13, 1979.

On March 13, 1979, I met Bob Sholar, Millie Wright, and Steve Sims at Taylor's Dump in Bullitt County to inventory drums of hazardous waste that were the subject of a cleanup operation performed by O. H. Materials Company. Representatives suggested that the cleanup was approximately one-third complete on that date.

Staff at the Hazardous Material Management Section Louisville office have copies of all inventories taken on March 13, 1979.
